

Gillian Edwards

I am from Blairgowrie and went to Blairgowrie High school before going to Robert Gordons University in Aberdeen to Study Business Studies.

On returning to the area after graduating I worked at Live Active Leisure as a sports coach and did various administrative jobs before starting at CILPK as the administrator and then becoming the manager.

In my spare time I play table tennis, I am currently number 1 in Scotland and competed at the Commonwealth Games in Glasgow 2014 as well as various world and European championships.
