My name is Amanda Wood and I've been going to the Makaton Choir for a while now on a Monday night.

I like Makaton Choir because it's fun and I like learning all the new songs.

I enjoy meeting new friends.

I never used to go out at night time but Makaton Choir has given me the confidence to go out.

I would like to thank Naomi and Mike that run the Choir for all of the hard work that they do.
